20. Pick and tick - Air pollution

HOW PLANETS GOT THEIR NAMES!

Did you know the planets of our solar system got their names from the Roman Gods? The characters of planets are given next to them. Can you guess and match the God's name to their respective planets? Let's dive into it.

I like to travel light.

Roman God of KINGS.

I am shy and lovely.

Roman God of SKY.

I am fierce and fiery.

Roman God of TRAVEL.

I am the king of kings.

Roman God of LOVE.

I love all things Green.

Roman God of SEA.

I am as light as sky.

Roman God of AGRICULTURE.

I am blue like the sea.

Roman God of WAR.

OUR SOLAR SYSTEM

Complete the missing planets and planets' names in the following layout of the solar system. You can cut out the pictures from the reference sheets.
