Paper crafts : tulip

Are you ready to make your own origami tulip? Cut out the square along its dotted line and colour it. Then follow the instructions given below to make a tulip flower. You can roll a small strip of paper to make it's stalk and stick it along with the flower in your scrap book.

1. Fold into half in the dark line.

2. Fold the corner along the dark line.

3. Do the same for the other corner.

4. Fold down along the dark line.
