# 6-7 YEARS | WEEK 52
## Science - Journal & Experiments

1. Science - Science and me

2. Science  - Science journal

3. Science  - Let's record our findings

4. Science  - Science Journal

5. Earth planate - Report

6. Science  - Research

7. Science  - Science journal

8. Science - Let's record our findings

9. Experiment - Walking colour water

10. Science - Science journal

11. Experiment - Properties of matter

12. Science - Let's record our findings

13. Science  - Kitchen experiments

14. Science  - Kitchen experiments

15. Science  - Kitchen experiments

16. Construction - Strongest shape

17. Build a bridge using Lego box

18. Construction - Tower building

19. Construction - Build a rocket

20. Construction - Build a house

# SCIENCE & ME

My name is _____
I am a boy/girl
I have taken _____ trips around the sun.
I am _____ handed
Color of my eyes is _____
Color of my hair is _____
Color of my skin is _____
My blood group is _____
I am allergic to _____
My heartbeat count in a minute _____
My body temperature today is _____

I like the smell of _____
I like the taste of _____
I like the touch of _____
I like the sound of _____
I like the sight of _____

Can I roll my tongue ? _____
Can I lick my elbow ? _____
Can I touch my feet without bending knees ? _____
Can I raise my one eyebrow ? _____
Can I chew and breathe at the same time ? _____

My favourite weather is _____
My favourite planet is _____
My favourite animal is _____
My favourite bird is _____
My favourite insect is _____
My favourite external body part is _____
My favourite internal body part is _____

My favourite plant is _____
My favourite flower is _____
My favourite fruit is _____
My favourite vegetable is _____
My favourite seed is _____
My favourite time of day is _____
My favourite color is _____

# SCIENCE JOURNAL

Think like a Researcher

## what ?

## why ?

## how ?

## when ?

www.printlearncenter.com by

# Let's Record our findings!

**QUESTION ?**

What do you think will happen to the water?

What is happening now?

Why do you think the colors are changing?

What do you think will happen if we remove one colored glass ?

How much time do you think this experiment will take ?

## HYPOTHESIS

What did you think before performing the experiment?
What do your senses tell you?

## RESEARCH

LET'S FIND INFORMATION FROM POSSIBLE SOURCES

## EXPERIMENT

LET'S MAKE OUR HANDS DIRTY !

## OBSERVATIONS

WHAT DOES YOUR SENSES TELL YOU ?

## CONCLUSION
