

# 7-8 YEARS | WEEK 45

## Science - Nature and Plants

---

1. Nature and plants - Cherry blossom

---

2. Paper cutting - Tulip paper chain

---

3. Sort the vegetables & fruits

---

4. Nature and plants - Circle and solve

---

5. Nature and plants - Read and arrange

---

6. Nature and plants - Parts of a plant

---

7. Nature and plants - Identify and fill

---

8. Nature and plants - Pick and mark

---

9. Nature and plants - Pick and mark

---

10. Nature and plants - Pick and mark

---

11. Nature and plants - Pick and mark

---

12. Nature and plants - Match

---

13. Complete the incomplete

---

14. Complete the incomplete

---

15. Nature and plants - Word search

---

16. Nature and plants - Nature elements

---

17. Nature and plants - Let's draw

---

18. Bucket full of nature

---

19. Nature and plants - Parts of a tree

---

20. Nature and plants - Silhouette

# Japan: Cherry Blossom

The Cherry Blossom tree is the National Tree of Japan & the Cherry Blossom flowers are the National flower of Japan. Let's paint the cherry blossom. Draw and paint a tree with branches in brown. Dip the end of the pencil in shades of pink and purple and dab it around the branches. You can take inspiration from the picture below.

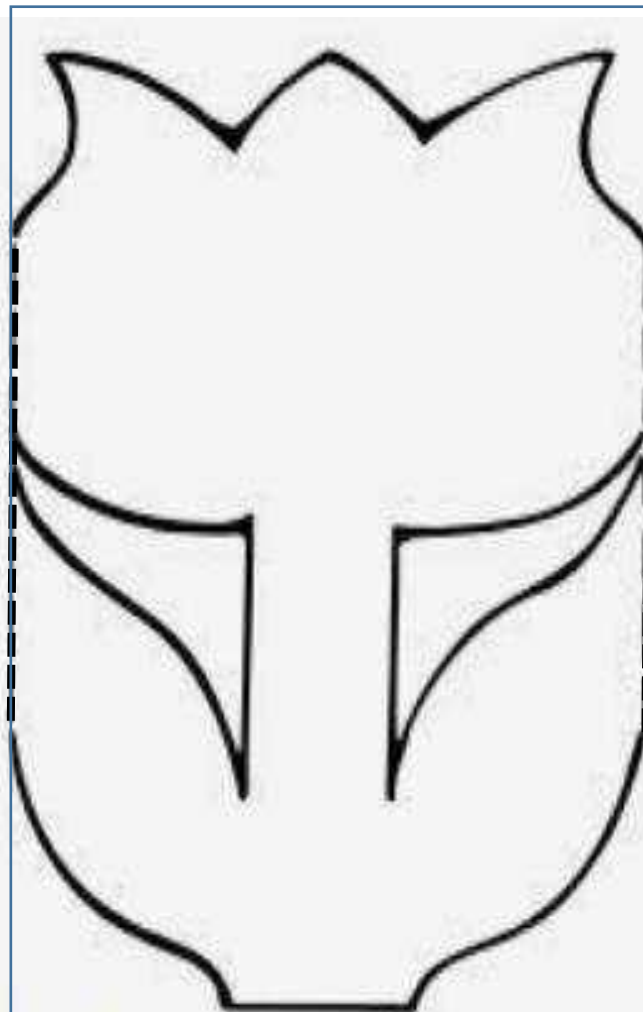

# Paper Cutting: Tulip paper chain

Follow the instruction given below and make tulip paper chain. Once done, you can colour them.

- 1 Cut out the tulip shape from the given template.
- 2 Take a sheet of the same size in width and length.
- 3 Trace the tulip template and make first fold on the sheet.
- 4 Continue folding back and forth until you've folded the paper's entire length.
- 5 Cut the tulip outline, taking care not to cut at the folded edges (dotted lines on the template)
- 7 Unfold the paper you will see chain of tulips.

This part  
is on the  
edge of  
the  
folded  
paper.  
Do not  
cut
