## Stretch your body - Co-read a story

It was a very sunny and nice day in Dholakpur. Bheem and his friends were bored. They wanted to do something exciting and fun. Tuntun aunty said, "Why don't you children go for a picnic?" Everyone was excited by this idea.

They distributed their work. Chhutki and Raju prepared their picnic basket with blankets, water, and food like sandwiches, chips, cookies, burgers, chocolates, and laddoos. Bheem suggested to play with frisbee, Chhutki was keen for playing hopscotch, Kalia got his yoyo-ball, Raju wanted to have fun with hula-hoops, Dholu-Bholu got their kites and Jaggu was excited to teach everyone to climb the trees.

Once everyone was ready and they had their picnic baskets, they all left for the park to have a picnic. Jaggu and Raju started playing hula-hoops. Bheem and Chhutki started playing with the frisbee. Dholu-Bholu and Kalia played hopscotch.

After a while, Raju said, "Let's all play tag together!" "Yes! Let's play tag," said Dholu-Bholu. "But I don't want to run," said Kalia, sitting down. "Come on Kalia, let's all play together and have fun," said Bheem.

Bheem started counting, "Eeny, meeny, miny, moe," to select who would be "it". Bheem stopped counting at Chhutki and everyone ran away from where Chhutki was.

She ran around trying to catch the others. But everyone ran as fast as they could! She almost caught Jaggu, but Jaggu climbed a tree to escape. Chhutki caught Kalia, who was not at all interested to run, and shouted, "You're it!" Everyone laughed and shouted, "Yay! Kalia, you're it!"

Kalia started chasing everyone, but suddenly he tripped on a rock and fell to the ground. Dholu-Bholu started laughing at Kalia and Kalia got very angry and shouted, "Come here, you two." Dholu-Bholu ran away. "Look out, Dholu-Bholu," said Jaggu, pointing at a tree. But Dholu-Bholu were busy laughing and they crashed into the tree.

Bheem scolded Dholu-Bholu, "You should not laugh at others otherwise you will also get hurt." "We're sorry," said Dholu-Bholu sadly. "Let's have some snacks now," said Chhutki. All the children sat on the blanket and ate sandwiches and chips.
