## Toy shop in Dholakpur - Co-read the story

One day, Bheem and his friends were helping Tuntun auntie in her shop. They all saw that Kalia was coming towards Tuntun auntie's shop with a key-operated dinosaur in his hands. Raju asked him, "Where did you get that toy, Kalia?" Kalia pointed towards a new toy store. Everyone saw that there was a huge crowd at that shop. Bheem asked Kalia, "Why is there such a large crowd?" Chhutki answered, "That new toy store was opened by an unknown man." They all went to the toy shop to buy new toys. Bheem bought rocket, Chhutki bought video-game, Raju bought wave-board, Jaggu bought spinning top, and Dholu-Bholu bought jack-in-the-box each.

The next day, when all the friends met, Kalia came running to Bheem. Bheem asked, "What happened Kalia?" Out of breath, Kalia said, "All - all of my money - was robbed." Bheem was confused. Jaggu added, "Since this shop has opened, a lot of burglaries have also happened." Bheem felt something was wrong with that shop.

He heard someone crying and saw that it was coming from an uncle. Bheem asked him what happened. The uncle said, "Last night, when I was sleeping with my daughter and her new toy from the toy shop, all my money was robbed." Bheem decided to discuss the problem with Raja Indravarma.

When Bheem and his friends reached the palace, they saw the king in deep sorrow. Bheem asked, "What is the matter, Your Majesty?" Indravarma said, "Bheem, after Indumati and I went to the new toy shop, someone robbed the royal treasury! Please do something or the whole village will be in trouble."

Bheem and his friends ran out of the palace to discuss the problem. He asked his friends, "Who is it? Who is it?" After thinking for a while, Chhutki said, "All the cases have one thing in common." Everyone said in unison, "The new toy shop's toymaker!"

Bheem and his friends ran to Kalia's house to check his new toy. Raju said, "Look Bheem! It is a robot with a camera!" Everyone understood that the toys were the burglars.

They ran to the new toy shop. They saw the toymaker running away with everyone's money. Bheem told him to give back all the money he took and snatched the bag from him. In fear, the thief let him take it. In the end, everyone got back their money. The police came to take the toymaker to the police station.
