

6-7 YEARS | WEEK 48

Geography - South Africa and France

1. South Africa - Flag

2. South Africa - Blue crane

3. South Africa - Neighbouring countries

4. South Africa - Fun facts

5. South Africa - Crafts

6. South Africa - Nelson Mandela

7. South Africa - Monuments

8. South Africa - Festivals

9. South Africa - Wildlife

10. South Africa - Birds

11. France - Flag

12. France - Famous symbols

13. France - Map

14. France - Language

15. France - Famous tourist spot

16. France - Bastille day

17. France - Artist

18. France - Bicycling maze

19. France - Rivers trivia

20. France - Monuments

South Africa: Flag

This is the flag of South Africa, but it is colourless. Fill in the colours by number and restore the glory of the flag.

1 - Red

2 - Green

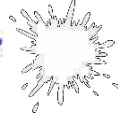

3 - Black

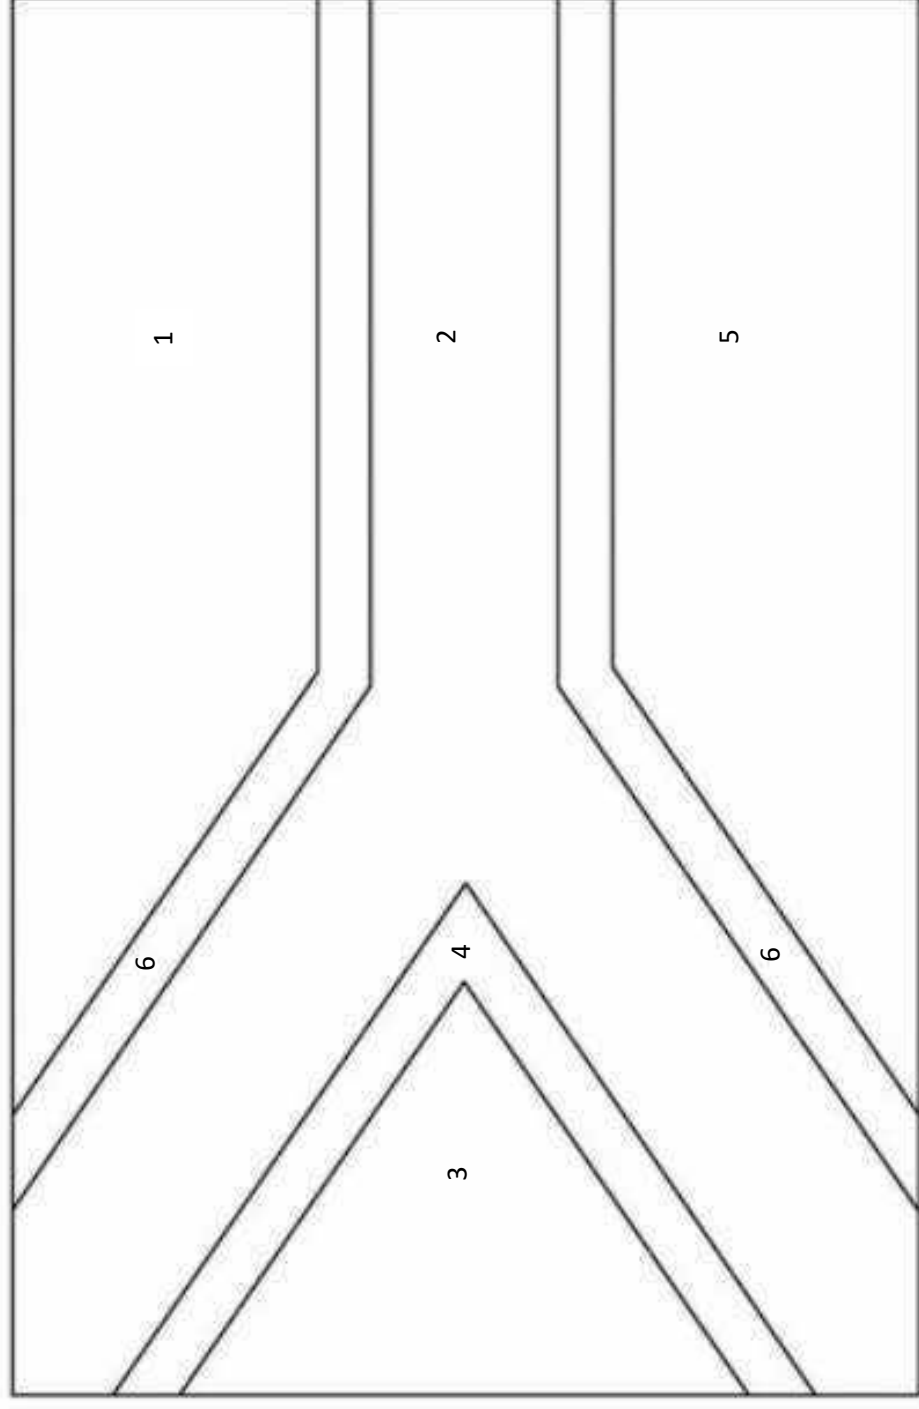

4 - Yellow

5 - Blue

6 - White

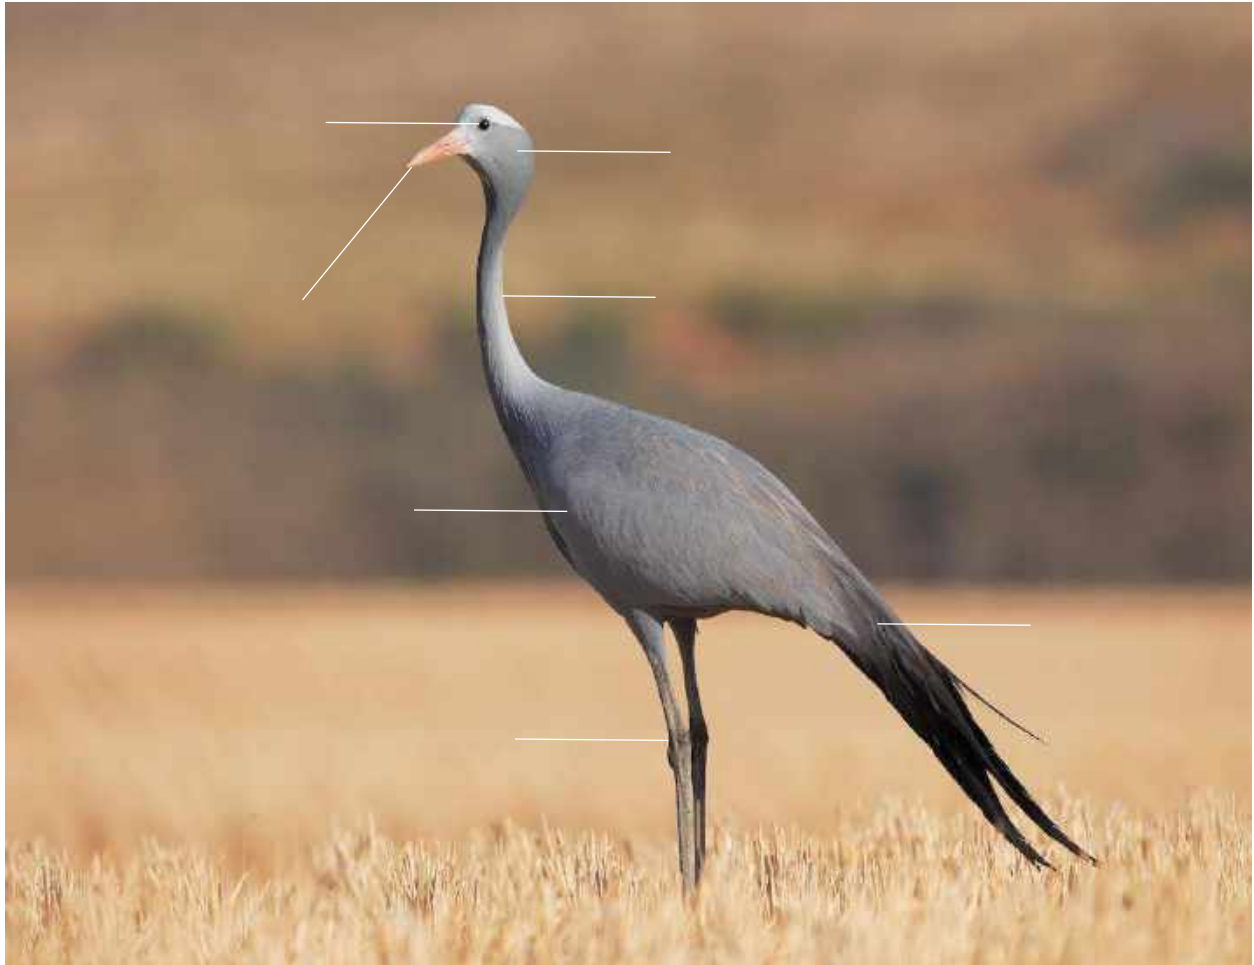

South Africa: Blue crane

The Blue crane is the national bird of South Africa. It is one of the smaller species of crane. It is also known as the Stanley crane or the Paradise crane.

With the help of an adult, cut along the dotted lines and separate the names of the body parts of the blue crane given below. Stick them at the right place.

head

neck

beak

feathers

eye

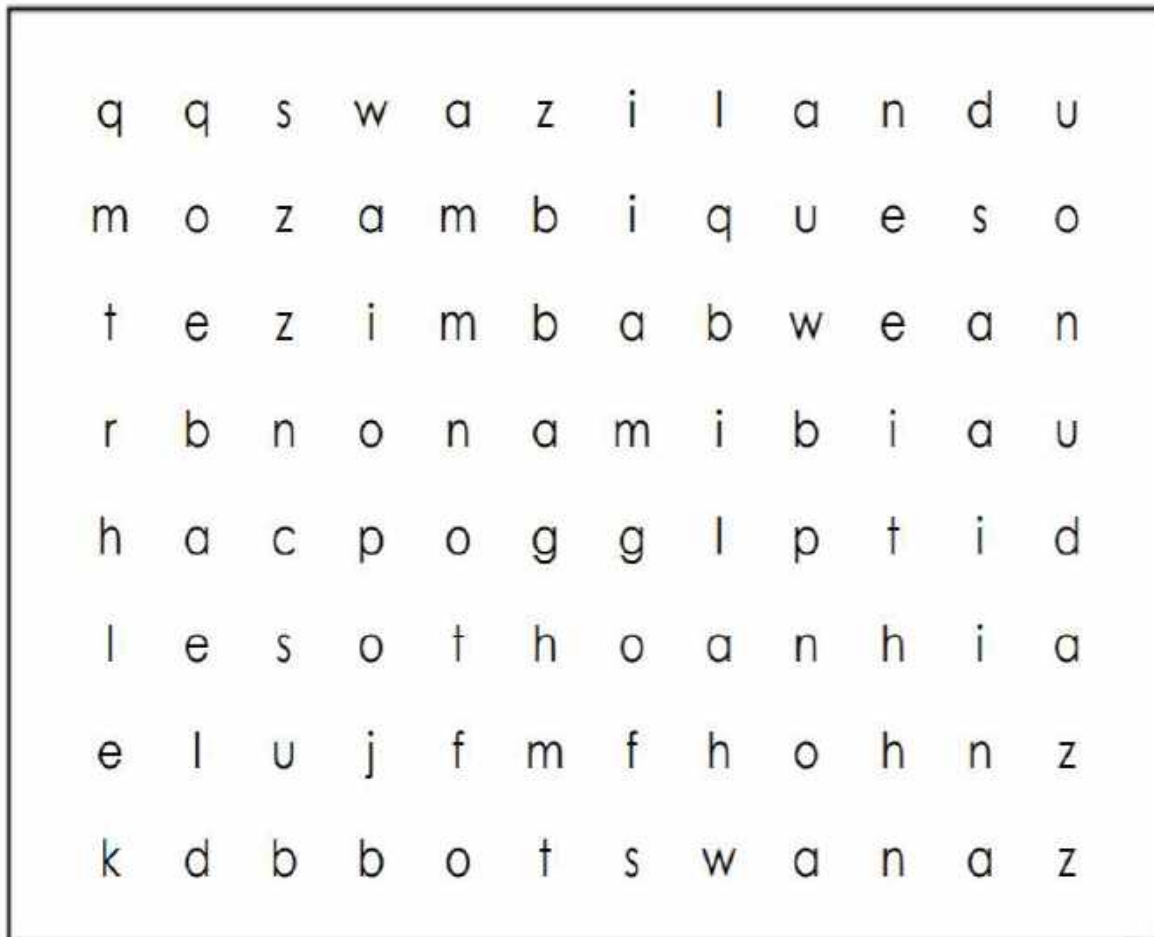

legs

pale blue-grey body

South Africa: Neighbouring countries

South Africa has 6 neighbour countries. Their names are given below. One of them, kingdom of Lesotho, is surrounded by South Africa. Can you find these countries in the word grid given below?

Swaziland

Zimbabwe

Lesotho

Botswana

Mozambique

Namibia
