20. Sports - Sailing

M: Data and Statistics - Tally and graph

Spin, Tally and Graph it.

Place a paperclip at the centre of the board, and hold it with a pencil. Spin the paper clip ten times, and record the number of times the paper clip lands on your favourite Indian cricketer. Use tally marks to organize and record your data.

Players	Tally Marks	Number
 Sachin		
 Virat		
 Dhoni		
 Ashwin		

Colour the bar chart

Sports: Cricket

Cricket's name comes from the Middle Dutch phrase for hockey, "met de kirk ket sen", which means "with the stick, chase". Early cricket was played with a stick that resembled more a hockey stick than the modern-day cricket bat. Let us try to identify the cricket team logo and write the country's name in the space given below.

Answer Key: 1. New Zealand, 2. England, 3. Australia, 4. Italy, 5. Sri Lanka

Sports: Football

The UEFA Europa League is UEFA's second-tier European club competition and was previously known as the UEFA Cup. Match the football club logo's to their corresponding country flag and try to write the name of the country.

Answer Key: 1.c, 2.a, 3.b, 4.e, 5.d
