# Creative Writing: Elements of a story

There are several essential story elements which form the backbone of any good novel or short story. If you know these elements, you can write more creative stories.

Choose the name of the story element from the options given below and write it in front of the correct description.

setting

style

theme

conflict

plot

characters

1. \_\_\_\_\_ includes the time and place in which the story takes place.

2. \_\_\_\_\_ in a story is the main challenge to overcome which is resolved during the plot's climax.

3. \_\_\_\_\_ are the people (or sometimes animals!) who are featured in a story.

4. \_\_\_\_\_ is simply a way of speaking about our subjects.

5. \_\_\_\_\_ is the author's central argument or big idea they want to convey. They are often associated with a 'moral of a story'.

6. \_\_\_\_\_ is the sequence of events that tell the story.

# Creative Writing: Create a character

With the help of the given aspects, build a creative character that your readers will remember. Use your imagination and the picture to fill in the details in the boxes below.

What is his name and what does he do?

What are his special qualities?

What does he like to eat?

What does he like to do?

What makes him angry or sad?

What makes him happy?

# Creative Writing: Write a story

You and your friend went for hiking in the woods and saw a magical treehouse there. Weave a small story around the events that followed, using the words/expressions given in the box below.

high	stuck	ladder	thrilled
comfortably	windy	howled	memory
magnificent	surprised	flying high	puzzle over

Last summer, I and my best friend went hiking in \_\_\_\_\_
