

8-9 YEARS | WEEK 55

Maths-Geometry & Shapes

1. Congruent shapes

11. Matching

2. Colouring

12. Triangles

3. 3D Shapes

13. Identifying

4. Colouring

14. Cut and paste

5. Finding 3D Shapes

15. Labelling parts of circle

6. Colouring

16. Drawing

7. Riddles

17. Angles

8. Drawing

18. Angles

9. Drawing

19. Counting

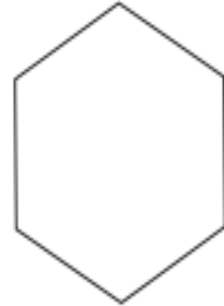

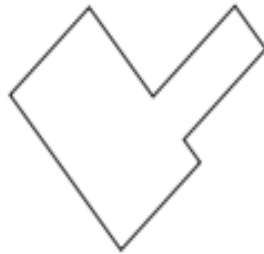

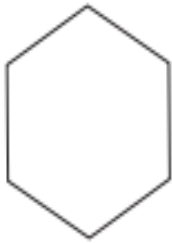

10. Matching

20. Angles

Shapes: Congruent shapes

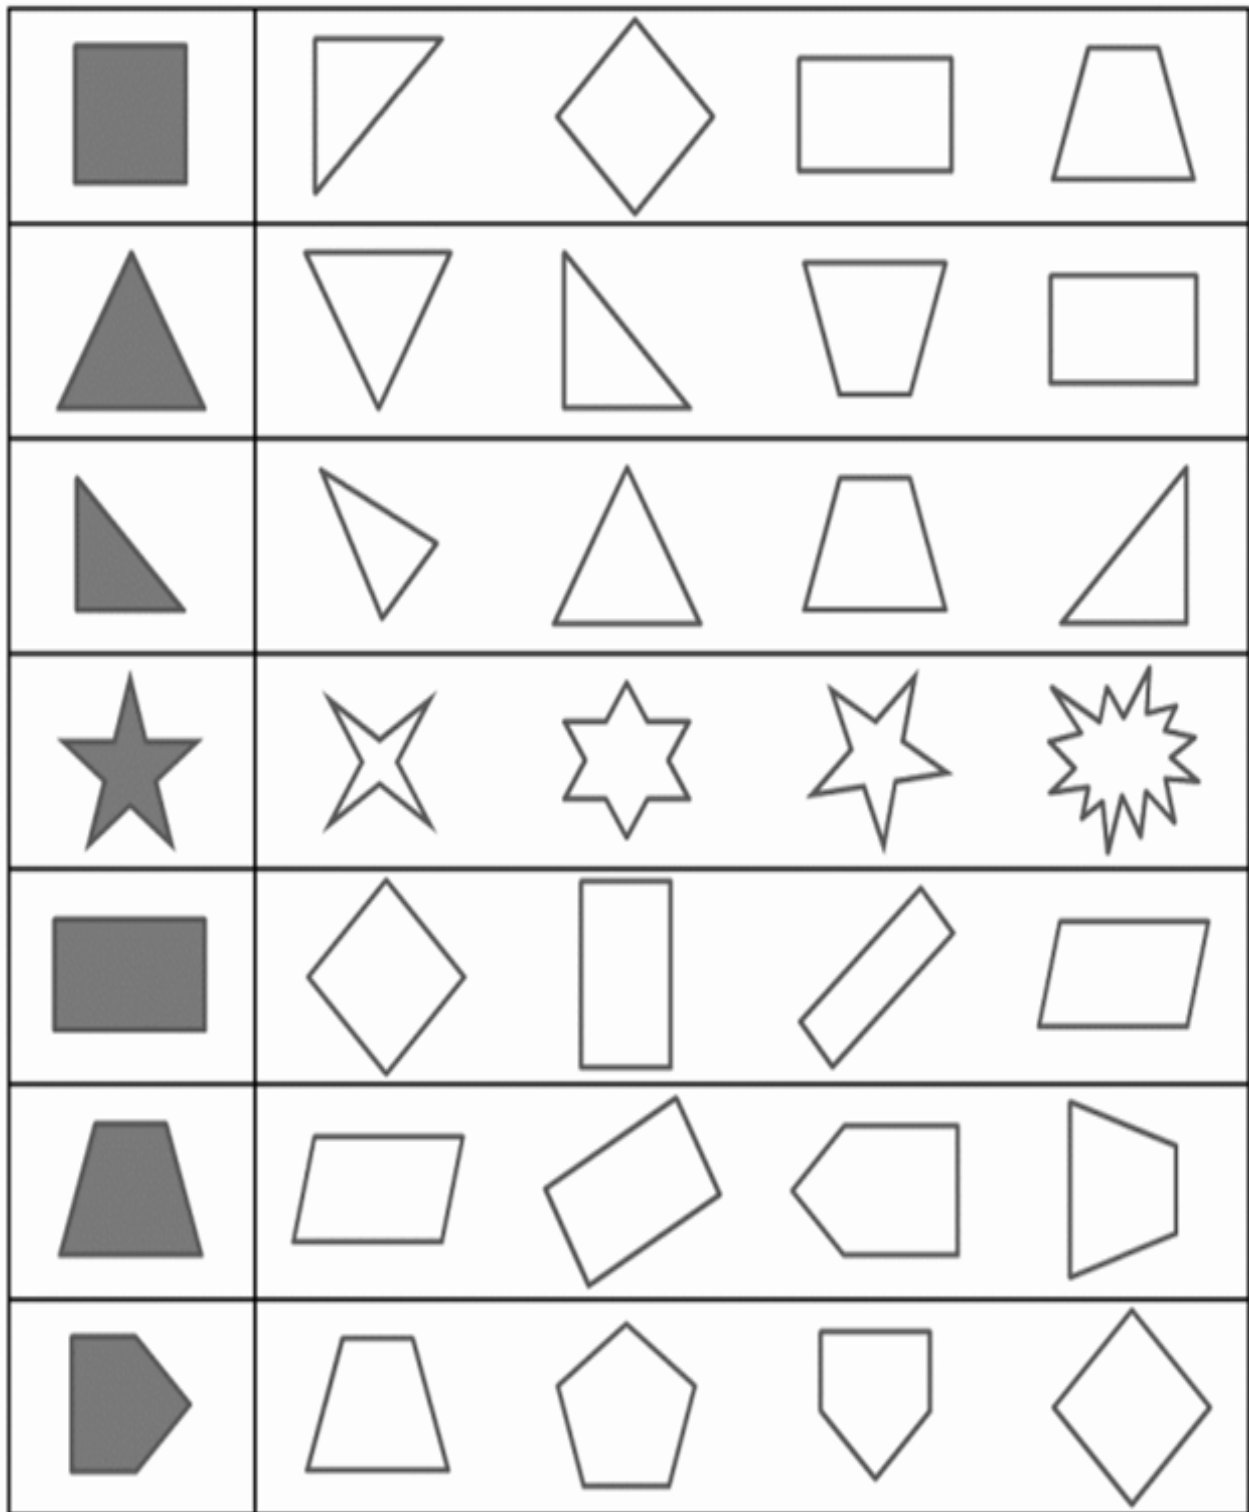

Colour the pairs of congruent shapes with the same colour.

Shapes: Colouring

Shade the shape that is the same as the first shape in each row. Watch out because the shape might have been flipped over or rotated.
