Choose and Pick

Help Chutki name the food items.

Draw lines from healthy food to the basket.

Match

Color one picture of the boy in red and another in green. Now match the boy that you colored green with healthy food and the boy that you colored red with unhealthy food.

Name the vegetable

Hello children I am Raju and this is my friend Bill the cowboy.

One day Mini's grandfather went to market with Mini's brother. Along with other items they bought vegetables from the market. Identify the vegetables by looking at the combined picture of vegetables.

Help box:

tomato

potato
