## Kalia gets hurt : co-read the story

It was 5 in the evening and Bheem and his friends had finished their homework. They all went out on the street and stood around discussing what game to play. "Let's play hopscotch," suggested Kalia. Everyone liked that idea and Bheem drew the outlines of the boxes on the ground. After, they went around looking for their choice of stone to throw and play.

Bheem found a black stone, Chhutki found a yellow stone, Raju found a brown stone, Jaggu found a grey stone, Kalia found a blue stone and Dholu-Bholu found white stones.

They took turns playing hopscotch, while the rest of the children cheered for their friends. After Chhutki's turn, Kalia went next. When he started hopping and playing, his foot tripped and he fell down. Dholu-Bholu started laughing at Kalia. They did not see that Kalia had a big cut on his knee! Looking at them laughing at him, Kalia began to cry. Bheem, Chhutki, Raju and Jaggu ran to help him up.

"Dholu! Bholu! You shouldn't laugh at someone when they fall down," scolded Chhutki. "Yes. Can't you see that he is hurt?" asked Bheem. Dholu-Bholu immediately stopped laughing. "Let's take him to Doctor uncle to give him first aid," said Jaggu. They all helped Kalia to get to the doctor. Once the doctor had cleaned up the wound and applied first aid, they all came back to the street to play.

But Kalia went and sat down, looking very sad. "What happened, Kalia?" asked Raju. "Dholu-Bholu always laugh at me when I fall," said Kalia. "Dholu-Bholu, come here and say sorry to Kalia. It is not nice at all to laugh at someone when they fall," said Bheem strictly. "We're sorry, Kalia. We didn't mean to make you sad," said the twins. "Can you promise me that you won't laugh at me again?" asked Kalia. "Yes, we promise," said Dholu-Bholu. Kalia became very happy. They all continued playing till it was time to go home.
