## WHAT WOULD YOU DO?

If you met a superhero?

If your best friend moved to another city?

If you could become invisible?

If you found a time machine ?

If you were a maths teacher for one day?

If you found a rat in your room?

If you broke a flower pot?

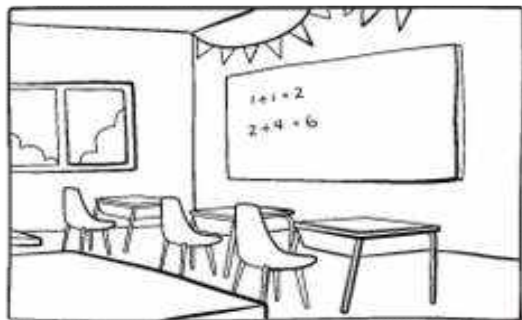

If you lost your pencil?

If you lost your shoe?

# My school

Tell us about your school and why you love your school. Colour the school pictures given below.

# How others feel

Imagine you are sitting down on each chair. Read the situation and think about how you would feel. It's important to know about other people's point of view. Write down what you felt when you thought about these situations from another point of view.

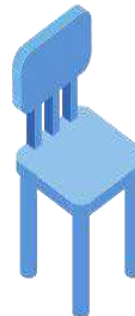

How would your mom feel when you don't pick up your toys?

How would your dad feel when you talk a lot while eating?

How would your grandmother feel when you don't help her find something she is looking for?

How would your sibling feel when you hide their favourite toy?
