Hello children! I am Chhutki and I will be your fun-learning partner for the A DAY AT WATERPARK series!

A day at water park : Co-read the story

It was a Sunday and Bheem and his friends wanted to do something fun. "Let's go play in the park," said Raju. "No, let's go to the zoo," said Kalia. "No, let's play hide and seek," said Jaggu. But the children could not decide what to do! Suddenly, Bheem had an idea. "Let's go to the waterpark!" "YES!" everyone screamed. They all packed their bags and went to the park.

There were so many rides at the waterpark! But again they could not decide one ride. Dholu-Bholu wanted to go on the water slide; Jaggu wanted to go to the swimming pool; Chhutki wanted to go to the lazy river. Raju wanted to go to the water splash. Kalia wanted to go play volleyball at the wave pool. Bheem wanted to go in the water tornado. Finally Bheem said, "We have all day to have fun and to go on all the rides. Let's go on each ride one by one!" "Yes, let's do that," everyone agreed.

Before lunch, they went to the rides Dholu-Bholu, Jaggu, Chhutki, and Raju wanted. At lunch, everyone went to the cafe at the waterpark and ordered some burgers and juice. After they had all eaten, they went back to the rides! They were at the wave pool, playing volleyball, when suddenly Dholu-Bholu slammed into each other and fell under the water. Bheem immediately swam to where they were and pulled them both out of the water. "Spplrrttt!" Dholu-Bholu spluttered and gasped.

Chhutki said to Dholu-Bholu, "When you are in the water, you have to make sure you are safe, especially if you don't know how to swim!" "We will be more careful next time," Dholu-Bholu said. After going on all the rides, they came to the waterpark store and took the photos taken during their rides. Everyone had made a funny face in the photo that was clicked! After a fun day at the waterpark, Bheem and his friends went back to Dholakpur.
