Hello children! I am Kalia.
My friends and I will be your fun-learning partners
for the HOBBIES & INTERESTS series!

Colours : primary colour circles

Use a paper cup or a plain bangle and draw circles randomly and create your own patterns in the given space. Use primary colours red, blue and yellow and colour all the circles to create a colourful pattern of your own.

Colours : colour mixing

Use primary colours red, blue and yellow in the given space below. Mix both the colours by using an icecream stick or a brush and find the new colour. Write the name of the colour in the space provided.

red	+	blue	=	<div></div>
yellow	+	red	=	<div></div>
Blue	+	yellow	=	<div></div>

Make patterns using only these new colours you created.

Colours : silhoutte art

Fill in the bird with black and the rest of the page with colours other than black. Use multiple colours for best effect. First color the background and then colour black for the bird. This is called silhoutte art.
