# Money: Uses of money

We can use the money for buying, selling, saving. How do you use your money? Write it in the bubbles given below.

The form consists of a large rectangular frame. Inside this frame, there are six empty circles arranged in a 3x2 grid. In the center of the frame, overlapping the middle row of circles, is an illustration of a wallet. The wallet is open, showing a stack of money inside. The word "Money" is written on the wallet. The entire form is enclosed within a dashed border.

# Money: Make your money

Use your creativity and design your notes in three different ways. You can make notes of 100, 500, 2000 denomination. Think of a cool design that you want for each denomination.

A large, empty rectangular box with a solid black border, intended for designing a 100 denomination note.A large, empty rectangular box with a solid black border, intended for designing a 500 denomination note.A large, empty rectangular box with a solid black border, intended for designing a 2000 denomination note.
