

6-7 YEARS | WEEK 02

Science - Environment

1. Cross the odd one out - Sources of water

11. Uses of water

2. Cross the odd one out - Grow plants

12. Sources of water

3. Circle - Living / non-living things

13. Simple properties of water

4. Dinosaurs - Name the dino

14. Need to save water

5. Identify and tick

15. Earth - Planet report

6. Upcycling - Object hunt

16. Australia - Wildlife

7. Dinosaurs - Complete the Dino

17. South Africa - Blue crane

8. Dinosaurs - Match the halves

18. South Africa - Wildlife

9. Dinosaurs - The dino mini book

19. Egypt - National bird (Steppe Eagle)

10. Dinosaurs - Make your own Dino

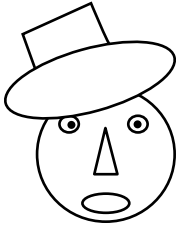

20. Australia - Koala maze

Cross the odd one out

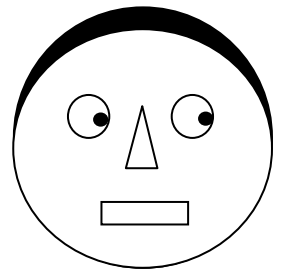

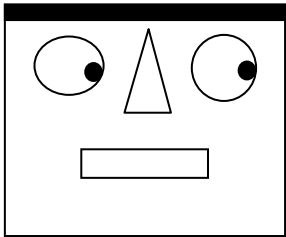

Rahman writes the name of a source of water in his notebook. He wants Kartar, Sally, Sam and Bholu to write some more names of sources of water in their notebooks. Bholu has to find out who has written the name that is not the name of a source of water. Help Bholu by putting a cross (X) mark on the picture of the person who has written the name that is not the name of a source of water.

waterfall

?

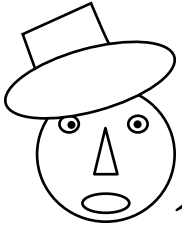

Cross the odd one out

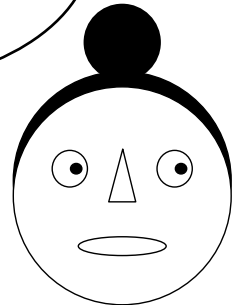

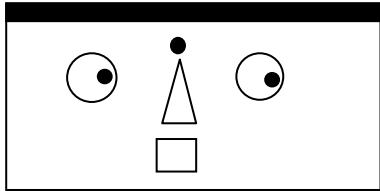

Sally writes the name of a thing that helps a plant to grow. She wants Kartar, Bholu, Sam and Rahman to write the names of other different things that help a plant to grow. Mini has to find out who has written the name of the thing that does not belong to the group of things that help a plant to grow. Help Mini by putting a cross (X) mark on the picture of the person who has written the name that does not belong to the group of things that help a plant to grow.

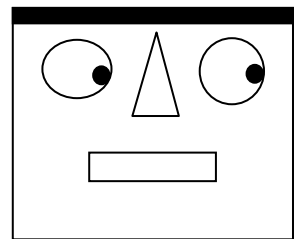

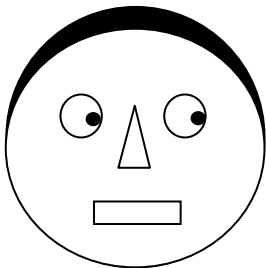

sunlight

water

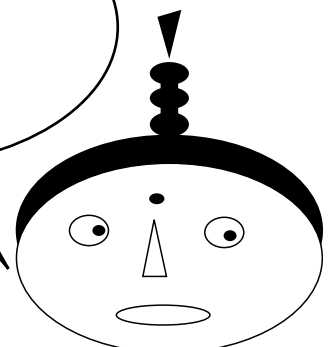

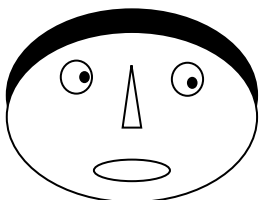

soil

electricity

air

?

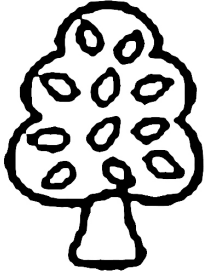

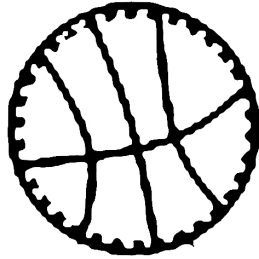

Circle

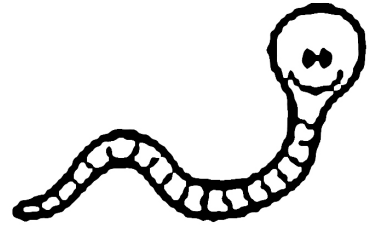

Circle the non-living things. Also write 'L' for living thing and 'N' for non-living thing.

tree

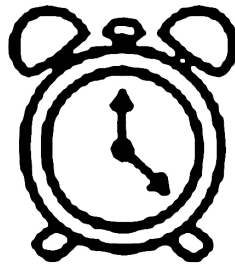

ball

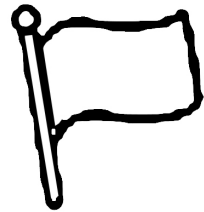

worm

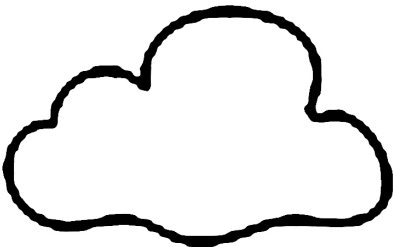

dog

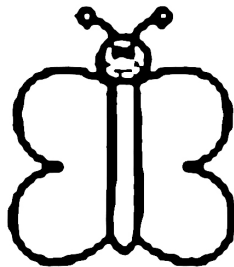

clock

flag

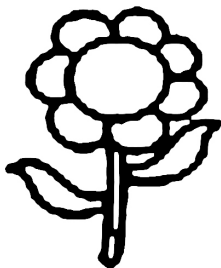

cloud

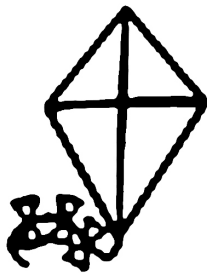

butterfly

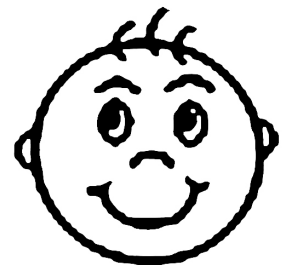

cupcake

flower

kite

boy
