18. Cut And Paste - With The Book

19. Cut And Paste - With The Cup

20. Cut And Paste - With The Table

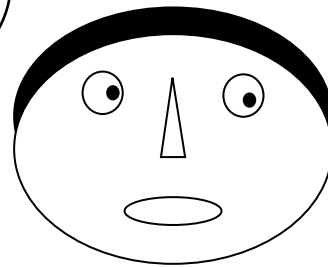

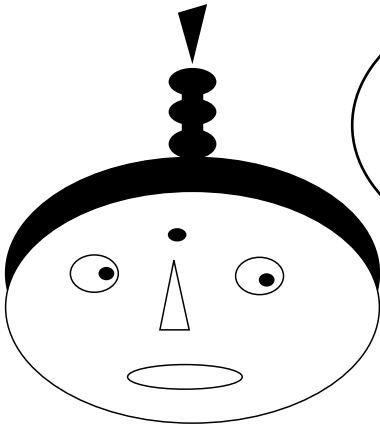

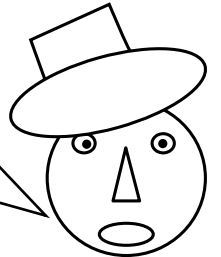

Name the object

Hello children I am Indumati and this is my friend Bill the cowboy.

This is another game that Mini and her brother like to play. Mini shows a picture of an object to her brother and her brother has to show her the picture of an object that goes with the object.

Mini has shown the picture. Help her brother show the correct picture by putting a tick (✓) mark on the correct picture.

?

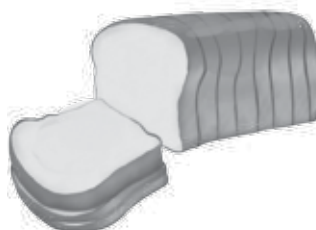

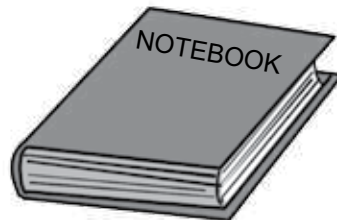

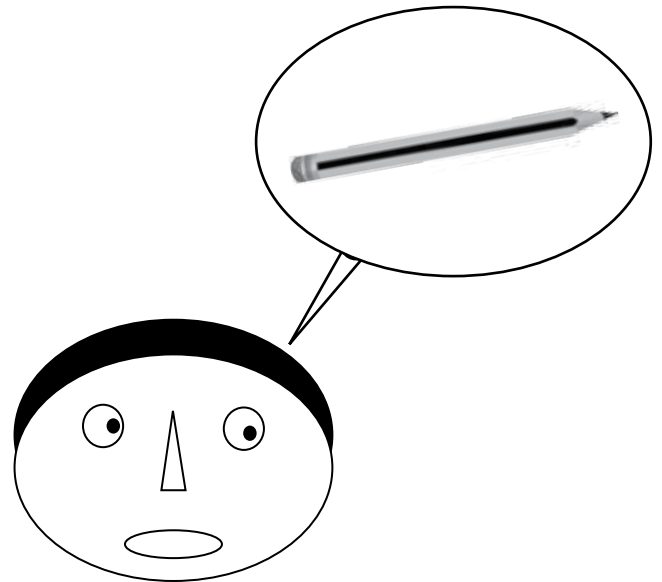

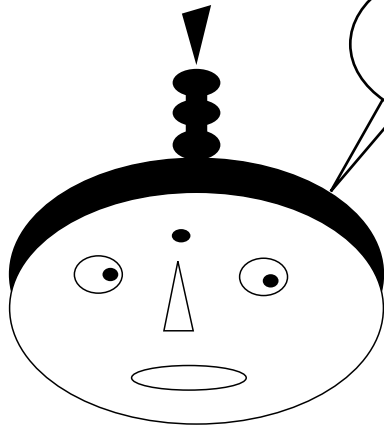

Name the object

Mini's brother has shown the picture of an object. Help Mini show the correct picture by putting a tick mark (✓) on the correct picture.

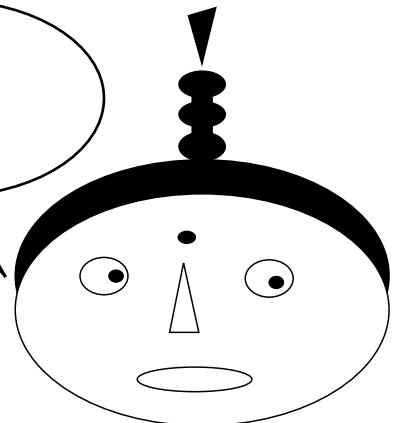

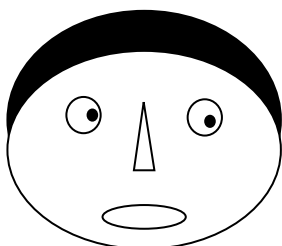

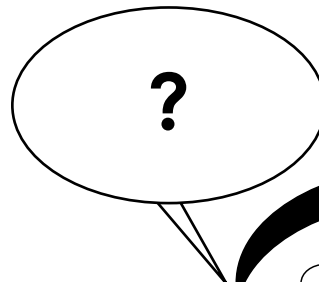

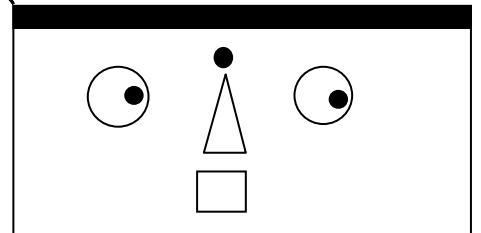

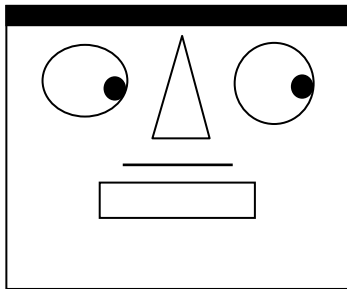

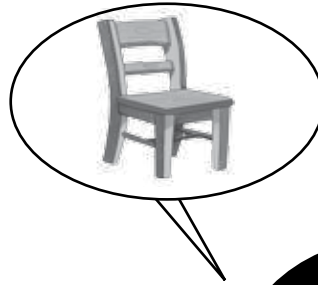

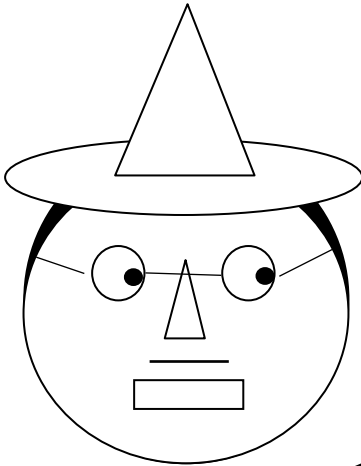

Name the object

After sometime Mini's parents and grandparents also joined the game. Mini's grandfather has shown the picture of an object. Other family members are showing pictures of different objects. Help Mini decide who has solved the problem correctly by ticking the picture of that person.
