

6-7 YEARS | WEEK 64

Maths-Pattern

1. Cut and paste

2. Identify patterns

3. Match the patterns

4. Missing number

5. Input output rule

6. Circle the pattern

7. Cut and paste

8. Match sticks

9. Patterns

10. Cut and paste

11. Joining the dots

12. Trace the maze

13. Dot to dot

14. Number skipping

15. Growing patterns

16. Colour pattern

17. Sequencing

18. Missing numbers

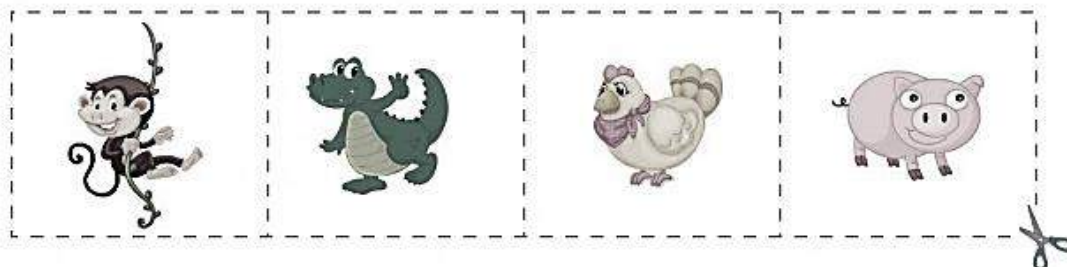

19. Cut and paste

20. Missing shapes

Patterns: Cut and paste

An arrangement of lines, shapes, colours, pictures etc. as a design is called pattern. Cut and paste the following pictures to continue each pattern.

Patterns: Identify patterns

Fill in the blanks to describe the number pattern given below. One example has been done for you

1.

2							16
---	--	--	--	--	--	--	----

Count up by 2's from 2 to 16.

2.

5							
---	--	--	--	--	--	--	--

Count _____ by _____'s from _____ to _____.

3.

44			32		24	20	
----	--	--	----	--	----	----	--

Count _____ by _____'s from _____ to _____.

4.

100	90			60	50		30
-----	----	--	--	----	----	--	----

Count _____ by _____'s from _____ to _____.

5.

9	12		18		24	27	
---	----	--	----	--	----	----	--

Count _____ by _____'s from _____ to _____.

6.

48	46		42		38		34
----	----	--	----	--	----	--	----

Count _____ by _____'s from _____ to _____.

Answer key: 1) 2 4 6 8 10 12 14 16 2) 5 10 15 20 25 30 35 40, 3) 44 40 36 32 28 24 20 16, 4) 100 90 80 70 60 50 40 30, 5) 9 12 15 18 21 24 27 30 6) 48 46 44 42 40 38 36 34
