

# 7-8 YEARS | WEEK 24

## Science - Biology Concepts

---

1. Dinosaurs - Name the dino

---

11. Five senses - Crossword

---

2. Dinosaurs - Complete the dino

---

12. Five senses - Scavenger hunt

---

3. Dinosaurs - Dino research project

---

13. Exploration - The five senses

---

4. Dinosaurs - Dino mini book

---

14. Pick and mark - Plants

---

5. Dinosaurs - Make your own dino

---

15. Pick and mark - Plants

---

6. Identify and write - Lifecycle of a frog

---

16. Pick and mark - Plants

---

7. Identify and write - Vital activities

---

17. Pick and mark - Plants

---

8. Identify and write - Parts of a butterfly

---

18. Match - Food to parts of a plant

---

9. Explore and write - Animal's habits

---

19. Complete the incomplete

---

10. Sequencing the events

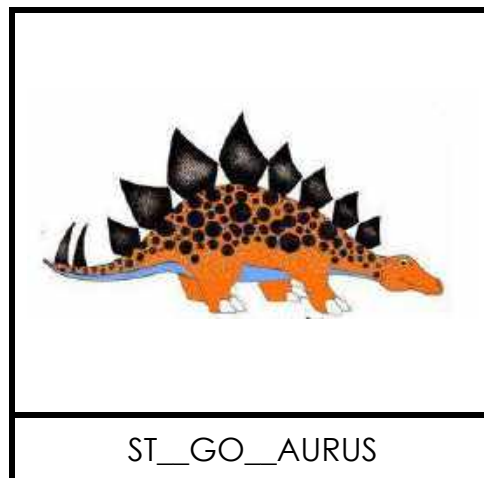

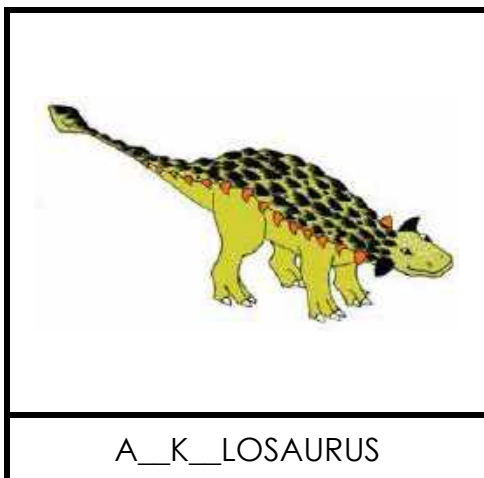

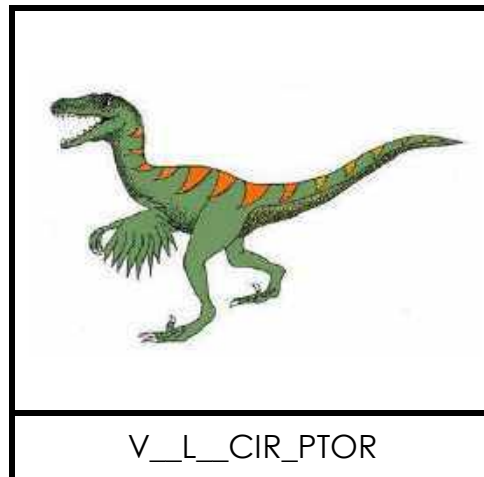

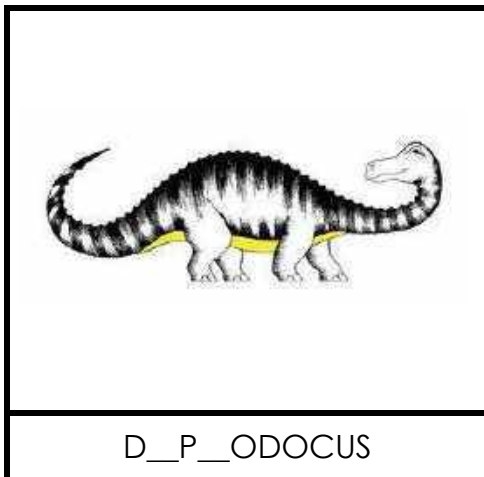

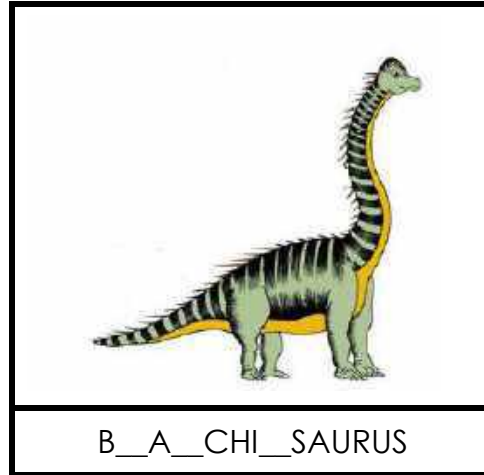

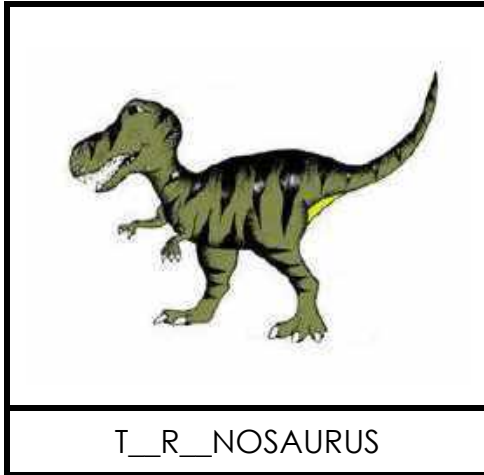

---

20. Cherry Blossom - Japan

# Dinosaurs: Name the Dino

Fill in the missing letters to find the names of all the dinosaurs with the help of key words given below.

Diplodocus

Ankylosaurus  
Brachiosaurus

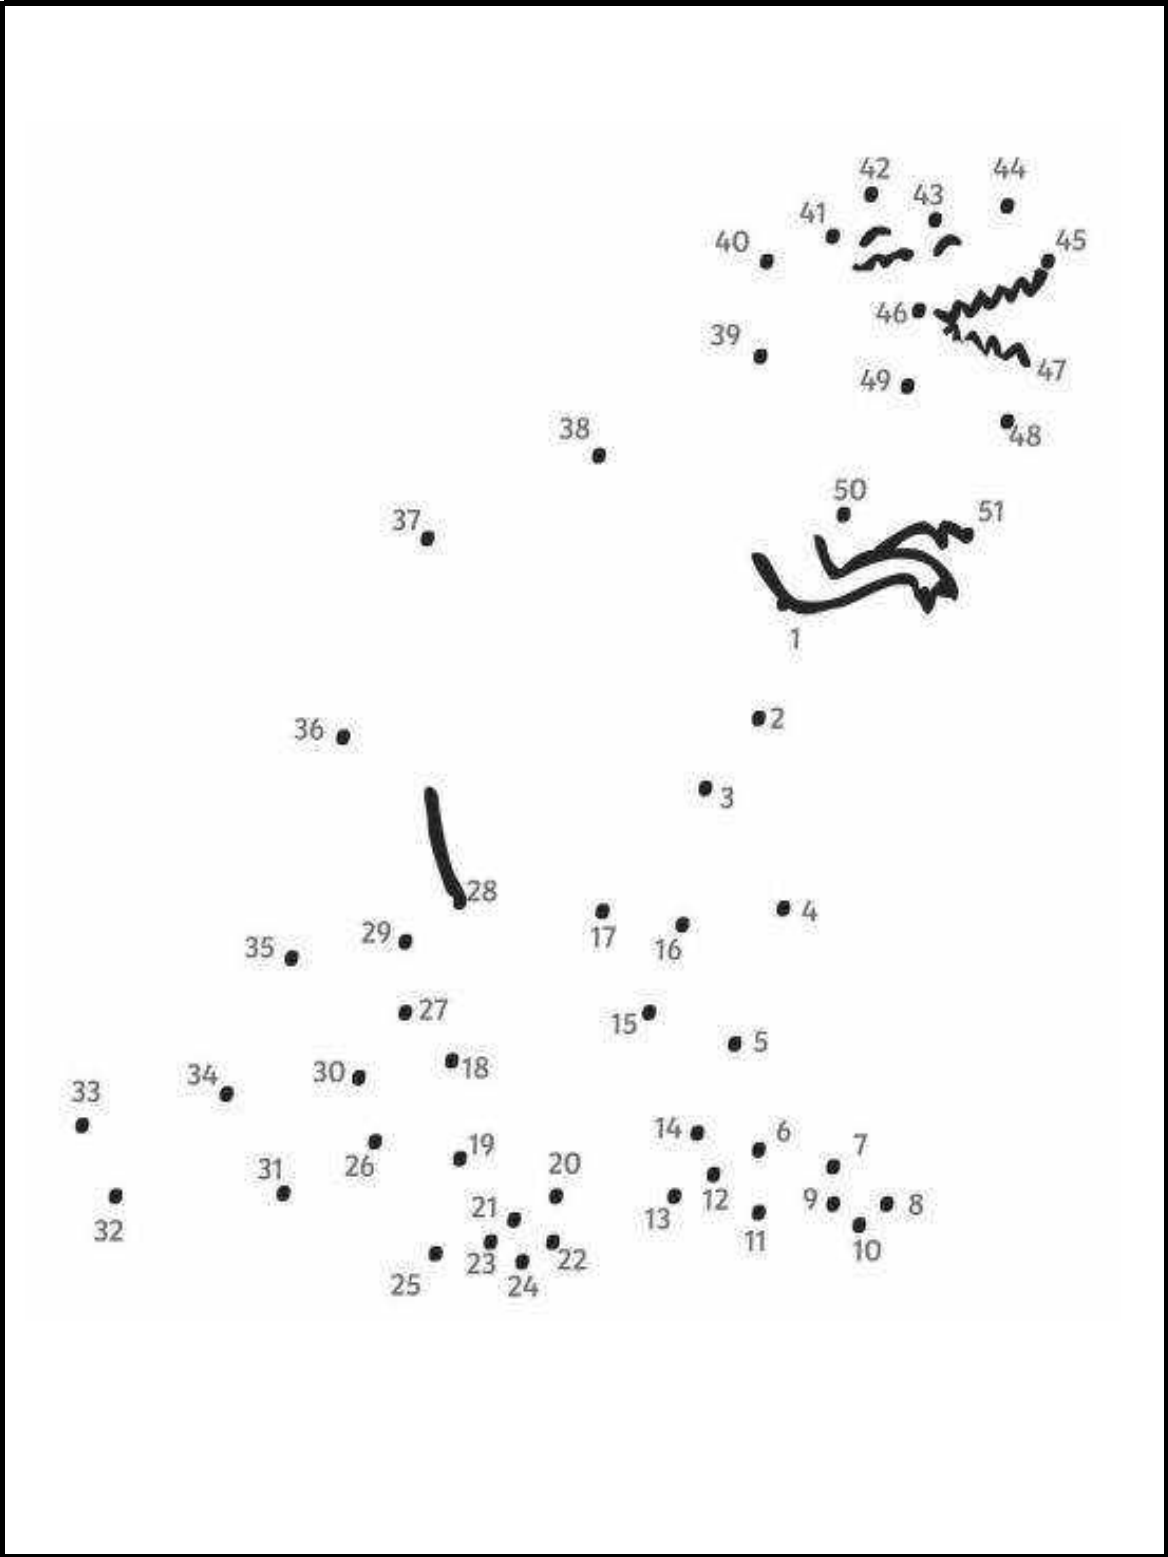

Stegosaurus  
Velociraptor

Tyrannosaurus

# Dinosaurs: Complete the dino

Complete the dinosaur by connecting the dots. After completion, colour it in.

# Dinosaurs: Dino research project

Complete the dino research project sheet by identifying three dinosaurs in each category. Name them and stick their images in the boxes provided.

## The Dinosaur Research project

### Plant eating Dinosaurs

1

1

### Meat eating Dinosaurs
