GAME : ROLL TO 100

Directions : 2+ player Game - Take 2 dice and roll them. Current score of both players is 0. Player 1 gets 2 numbers on face up dice, add up the numbers and mark the sum (with color A) obtained to the last sum you obtained. Player 2 rolls the same dice on their turn and mark their sum (with color B). If the number is marked before, player misses the chance. First player to reach 100 wins !!!
