Himalayas Adventure - Co-read the story

One day, Bheem and his friends were going to the Himalayas with Raja Indravarma, as he had some work there. They were all very excited!

When they reached the mountains, they saw that there was snow! This was their first time seeing snow. Chhutki told her friends, "Did you know that each and every one of the snowflakes has a different design?"

When everyone reached the palace, they felt very warm as the heaters were on. They felt very sleepy. They ran to their rooms and slept on the warm beds.

The next day, they went to the market. First, all kids ran to the food stalls. Then, Chhutki went to the clothes factory. Over there, they were making sweaters. She helped them design some of their sweaters. Jaggu and Raju ran to the snow area to build snowmen. Bheem went sledding. Dholu-Bholu made snowballs and threw at each other and Kalia went for skiing.

After some time, everyone went to the top of the mountain for skiing. Since they didn't know how to ski, first they had to learn skiing, but Kalia didn't listen and went down an unknown path.

When Bheem saw this, he asked their guide, "Is the path Kalia went down dangerous?" The guide said, "It is very dangerous, there are many snow leopards on that mountain."

Bheem and his friends skied to where Kalia was to save him. Everyone shouted, "Kalia come back!" Kalia started running to his friends, but suddenly, a snow leopard jumped out of a cave. Kalia was shocked and tried to run, but he was stuck. Bheem saw this and came in front of the leopard and distracted it with laddoos, and rescued Kalia! Then, they all went to house boat to relax and cherish beautiful last memory. They all finally went back to Dholakpur after a nice adventure.
